CJSC Stroytransgaz Signs Major Truck Deal with Mercedes-Benz

CJSC Stroytransgaz increased its Mercedes-Benz truck fleet by 2.2. times having secured one of the biggest deals for new equipment purchasing. Between June 21 and July 18 the company signed a number of contracts for supplies of 160 Actros 3341 AK 6x6 AWD dump trucks. As a result, the number of Mercedes trucks rose to 293 vehicles, while total CJSC Stroytransgaz fleet grew by over 6 per cent. It currently totals over 2,700 units excluding mobile buildings and facilities.

The specialized subsidiary of the company – STG –AvtoTrans LLC – is in charge of the vehicles.

CJSC Stroytransgaz owns a strong and technologically advanced fleet from leading global manufacturers, such as CRC-Evans, Liebherr, Lincoln Electric and Mercedes-Benz. Every year, the company invests in the renovation and expansion of its fleet. In 2012, our fleet grew by approximately 20%. We plan to maintain this trend, guaranteeing high quality and productivity for our clients.

"CJSC Stroytransgaz delivers large-scale and complex projects in mountainous and restrictive terrain, and in permafrost regions. We have been recognized in the market as a reliable partner that guarantees safety, quality and advanced technology regardless of climate or operating conditions. The new contract with Mercedes-Benz proves again that our company is stably developing and the strategy to expand the portfolio of contracts is being successfully implemented," said Anton Ray, CJSC Stroytransgaz CEO.
