### **CSJC Stroytransgaz Participates in the IPLOCA's Annual Convention**

CSJC Stroytransgaz participated in the 47th Annual Convention of IPLOCA (The International Pipe Line & Offshore Contractors Association), acting as one of the event's sponsors. The convention was held in Washington D.C. (USA) on September 23-27, 2013.

Members of the IPLOCA, CSJC Stroytransgaz among them, gathered to share expertise in the implementation of unique and complex projects, discuss new developments and technologies of the oil and gas construction market and exchanged opinions on the latest tendencies and outlook for the industry.

Anton Rae, CEO of CSJC Stroytransgaz commented: "IPLOCA is a leading international association of major contractors in the oil and gas construction industry. The association was founded in 1966 and we completely share its goals: to improve quality standards of pipeline construction, increase safety and efficiency of the pipeline industry. Our company always aims at enhancing our quality standards and ensuring the successful implementation of the project regardless of the natural conditions during the construction".
